Cytokines 2026

Dear Partners!

We invite your company to partner with us and support the **Cytokines 2026** to be held October 18-21, 2026 at the Scottish Event Campus (SEC), Glasgow, Scotland, UK.

This is the premier international meeting on 'Cytokines' that takes place worldwide and is regularly attended by more than 500 participants.

A variety of topics will be covered by leaders in the field in the plenary and parallel sessions. The poster sessions will be the place for ample discussions and for sharing ideas. Since a major goal of the meeting is to promote interactions between scientists and clinicians working in basic, translational or applied research, ample opportunity will be given to network with colleagues and to present the latest technologies related to cytokine research, biomarkers and therapeutics.

We look forward to partnering with your company at the **Cytokines 2026** Meeting to discuss the most recent developments, educate researchers on the various tools and technologies available, and foster collaborations between industry, academia and trainees, ultimately benefiting patients' healthcare worldwide.

Yours sincerely,

The Scientific Organizing Committee

Any orders for products that are taken must be in accordance with laws covering such orders. No Exhibitor may enter another Exhibitor's booth without permission. Photographing or examining another Exhibitor's equipment without permission is prohibited. Any kind of promotion outside of your exhibition space is forbidden (such as Working Acts, Flyers etc.).

Set up and dismantling – Maintenance of booths

4. The set up and dismantling of the exhibition booth must be done during the official set up and dismantling times. If the official set up and dismantling times are not met additional costs may arise for the exhibiting companies.
5. Rental furniture will be ready on Sunday, 28 October 2026. Before that time no delivery can be guaranteed. Defects on the material offered by the organiser must be communicated by written notice to the organiser.
6. The exhibition booth must be designed in a way that the rented exhibition space will not be exceeded, neither in the height nor in the base area. Furthermore, the design of the booth must ensure that other exhibiting companies or participants will not be bothered by light and sound installations. The exhibition space must be left in orderly state.
7. During the set up and dismantling the instructions of the organisers must be followed, regulations from the police, and other official regulations must be considered.

Lay-out of the Exhibition Area - Exhibitor' Stand Space

8. The exhibition management reserves the right to alter the general layout of the exhibition and the space allotted to each exhibitor if unforeseen circumstances warrant such action.

Should any contingency prevent the holding of the exhibition, the organisers will not be held liable for expenses incurred other than the cost of rental of exhibit space.

9. All aisles and exhibits must be kept clear at all times, and fire stations and fire extinguisher equipment is not to be covered or obstructed.
10. Materials used by the exhibiting company must be fire-resistant to conform to local fire ordinances and in accordance with other relevant regulations. Any exhibits or parts thereof that are found not to be fireproof may be ordered dismantled

Electrical Installations – Power consumption

12. The exhibitors agree to use the exclusive supplier for all electric power requirements. It is forbidden for organisers or exhibitors to connect fuse boxes or electrical loads to the venue's electrical sockets themselves. The Exhibition & Sponsor Management is not responsible for any losses or damages which may occur from interruptions or defects in the electric power supply.

Damage to Building and Rented Materials & Equipment

13. Exhibitors are liable for any damage caused by themselves, or by a third party commissioned by them, to any parts of the hotel, inside and outside (e.g. walls, floors, doors, lifts, pillars, ornaments etc.), and rented materials (e.g. standard stand construction) and equipment (furniture, media equipment etc.) during build-up, operation and dismantling of their stands, or at any other time.
14. Repairs or replacement resulting from the disregard of this regulation will be at the sole expense of the exhibitor. This includes any adhesive tape which may remain behind on the floor of the exhibition hall, and/or on walls of the standard stand construction, or e.g. on rented furniture, after dismantling.

Suspensions

15. It is strictly forbidden to attach any suspensions, signage or whatever to (technical) provisions or structures of the venue, e.g. cables, sprinkler systems, ventilation and smoke removal ducts etc.

30. Payment for products/services ordered should be settled directly with the exhibition management or the relevant (official) supplier as applicable. All payments should be settled before the start of the build-up period, taking into consideration the payment date as

stated on the individual invoices. Not complying with this regulation will cause delay in your build-up procedures, because exhibition management does not allow move-in of exhibits until all financial obligations have been fulfilled.

31. If payment on-site cannot be avoided, then make sure that, at the beginning of the build-up, a member of your crew is authorised to take care of the payment (by credit card only). All on-site orders should be paid with credit card.

ICIS and, in its discretion, its designees shall have the full and exclusive power in matters of interpretation, amendment, and enforcement of all such conditions and regulations, and any amendments when made and brought to the notice of said Exhibitor will be as though duly incorporated herein and subject to the terms and conditions of this Agreement. If a dispute or disagreement arises between the parties concerning the allotment of or permitted use of exhibition tabletop or concerning the allotment of or permitted use of exhibition space or concerning interpretation of any of the conditions or regulations, the decision and interpretation of ICIS is final. The Exhibitor agrees to abide by the interpretation that, if requested, shall be in writing. All oral agreements, special permissions and special arrangements are valid only upon receipt of written confirmation.

Any controversy or claim arising out of or relating to this contract, or breach thereof, shall first be discussed informally for an amicable settlement between the parties and should that not succeed shall be settled by arbitration in the State of California in accordance with the commercial arbitration rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

Cytokines 2026

All matters and questions not covered by these regulations are at the discretion of ICIS. Management may amend these regulations at any time, and all amendments that may be so made shall be equally binding upon publication on all parties affected by them as the original regulations.
