# Cytokines 2026

---

Dear Partners!

We invite your company to partner with us and support the **Cytokines 2026** to be held October 18-21, 2026 at the Scottish Event Campus (SEC), Glasgow, Scotland, UK.

This is the premier international meeting on 'Cytokines' that takes place worldwide and is regularly attended by more than 500 participants.

A variety of topics will be covered by leaders in the field in the plenary and parallel sessions. The poster sessions will be the place for ample discussions and for sharing ideas. Since a major goal of the meeting is to promote interactions between scientists and clinicians working in basic, translational or applied research, ample opportunity will be given to network with colleagues and to present the latest technologies related to cytokine research, biomarkers and therapeutics.

We look forward to partnering with your company at the **Cytokines 2026** Meeting to discuss the most recent developments, educate researchers on the various tools and technologies available, and foster collaborations between industry, academia and trainees, ultimately benefiting patients' healthcare worldwide.

Yours sincerely,

## The Scientific Organizing Committee

### Meeting Chair:

**Simon A. Jones**, Cardiff University, Cardiff, Wales, UK

**Iain McInnes**, University of Glasgow, Scotland, UK

### Members:

**Clare Bryant**, University of Cambridge, UK

**Clare Lloyd**, Imperial College London, UK

**Luke O'Neill**, Trinity College Dublin, Ireland

- Opening of registration: February 2026
- Opening of abstract submission: December 2025
- Abstract submission deadline: May 15, 2026
- Notifications to submitters: June 2026
- Early registration deadline: June 26, 2026

## Meeting Venue

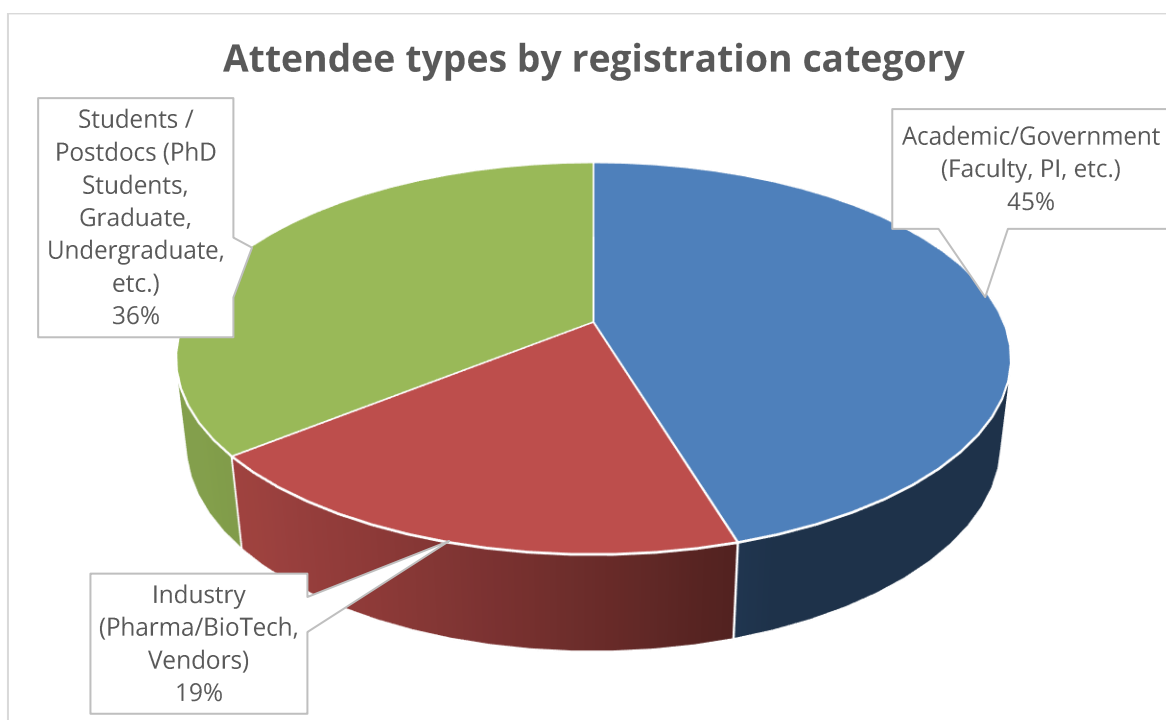

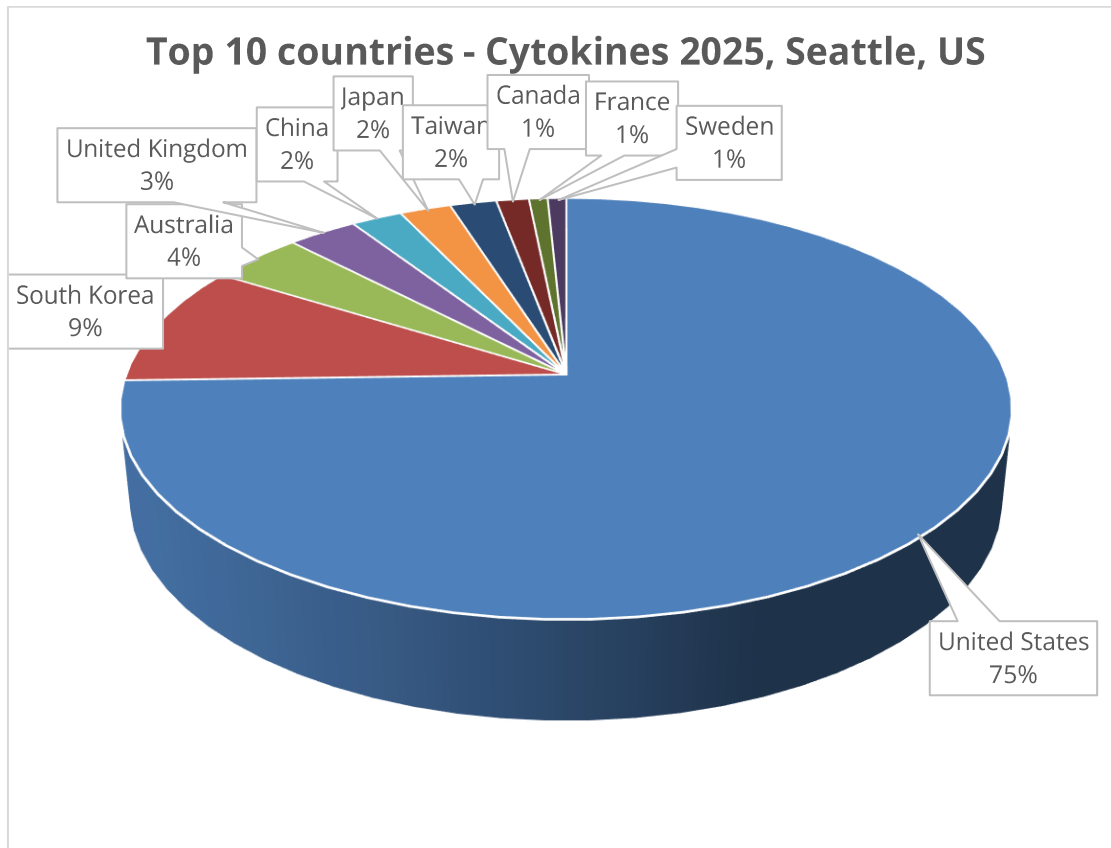

### [Scottish Event Campus \(SEC\)](#)

Glasgow G3 8YW

United Kingdom

## Attendee Profile

## Preliminary Program preview

	October 18th	October 19th	October 20th		October 21st	
	Sunday	Monday	Tuesday		Wednesday	
AM		<b>Plenary session 1:</b> Instructing immunometabolism in health and disease		<b>Plenary session 2:</b> Tackling the complexities of Immune-mediated inflammatory diseases		
		<b>Symposium 1:</b> Fine-tuning cytokine signals	<b>Symposium 2:</b> Barrier Immunity	<b>Symposium 7:</b> Bacterial immunity	<b>Symposium 8:</b> Interferonopathies <i>Philip I Marcus Symp</i>	<b>Symposium 13:</b> Stromal-leukocyte crosstalk
PM	<b>Welcome &amp; Awards</b>	<b>Symposium 3:</b> Viral Immunity	<b>Symposium 4:</b> Allergy	<b>Symposium 9:</b> Cancer Immunology	<b>Symposium 10:</b> Cell Fate	<b>Plenary session 3:</b> Next steps in cytokine targeted interventions
	<b>Keynote</b>	<b>Symposium 5:</b> Inflamma-some	<b>Symposium 6:</b> Korean Imm Soc	<b>Symposium 11:</b> Brain immunology	<b>Symposium 12:</b> Japan. Imm. Soc.	

## Why partner with The Cytokine Society?

Your participation in The Cytokine Society connects you directly to the academic researchers driving tomorrow's therapeutic discoveries.

Our annual conference provides a unique forum for building collaborations—from sharing clinical study sites and reagents to identifying partners for investigator-initiated studies. You'll gain early exposure to emerging observations that could shape your pipeline, while building relationships with key opinion leaders for advisory boards and speaker opportunities.

As one industry sponsor noted: ***"The connections we've made through Cytokines have directly informed our target selection and led to collaborations we wouldn't have found elsewhere."***

## PROGRAM PARTNERSHIP PACKAGES

Choose your level of investment and visibility

### DIAMOND Partner:

**USD 50,000**

Support of a session in the program - no direct influence on the contents –organization of sessions and invitation of speakers is done exclusively by the organizers. Includes 1 Free Registration and acknowledgement with Logo on website, final program and signage onsite.

**Want to create a custom package? Please contact us for details and refer to additional options on the following pages.**

**Kindly note that all sponsoring items are underlying industry regulations and are subject to change.**

**Payments** are accepted by **EFT, wire transfer or credit card**. Upon receipt of the duly signed booking form/contract, the program partner receives an invoice with the instructions for wire transfer or a secure credit card link. Payments are due **promptly after the receipt of the invoice**.

All **bookings and payments must be made by August 26, 2026**. The exhibitor/sponsor bears the costs of all taxes, fees or official charges on the total sum. In case of delayed payment, ten percent (10%) interest per annum is charged.

If a company wishes to withdraw from taking part in the congress after being under contract (as exhibitor or sponsor) to do so, the following cancellation fees apply:

- 50% of total costs if booking is cancelled until February 25, 2026
- 100% cancellation fee for cancellations of any orders thereafter

Should unforeseen circumstances necessitate a changeover to a hybrid or a purely virtual conference, you will be informed immediately about your partnership package on the online platform. The changeover to a hybrid or purely virtual conference does not entitle the partner to cancel the contract. In such a case, the costs and details of the partnership package will be adjusted according to the necessary technical amendments.
